

If you do not have a gmail account – Create first then start sign-in

Go to GEE Website → <https://earthengine.google.com/>

Platform → Code Editor → Login

The image shows the Google sign-in interface. On the left, there is the Google 'G' logo, followed by the text 'Sign in' and 'Use your Google Account'. On the right, there is a text input field with the placeholder 'Email or phone' and a vertical cursor. Below the input field is a link 'Forgot email?'. Further down, there is a message 'Not your computer? Use Guest mode to sign in privately.' followed by a link 'Learn more about using Guest mode'. At the bottom right, there are two buttons: 'Create account' and a blue 'Next' button. At the very bottom, there is a footer with 'English (United States)' and a dropdown arrow, and links for 'Help', 'Privacy', and 'Terms'.
